BERGAN GRADUATES AND FRIENDS FIND SATISFACTION IN MAKING MUSIC

John (1987) and Tony LaMar (1991) are a part of a band called the "Write Offs". What started out to be a fun and relaxing past time has evolved into a band that is booked for many local and private events. Is it still fun?

This is what John has to say:

The band formed in November of 2006. Blake Dillon (drums), Tim Hoshor (lead guitar/vocals), Jess Wilson (rhythm guitar) and Marty Scheer (rhythm guitar & married to Judy Drahota, 1981) asked if I wanted to get together and just play for fun (I play bass and sing). We got together a few times and I thought my brother Tony (lead vocals) would be a good addition, so I asked him to come down one evening and sit in. He ended up joining. We rehearsed for about four or five months, never intending to play for an audience. None of us wanted the hassle of having to get gigs and manage rigid rehearsal schedules—we just wanted to play and have fun. In the spirit of that, one night we got out all of Tim's sound gear and set up in the truck bay at our rehearsal space so we could make a BIG noise. Brett Fischer came to hear us and wanted us to play at a July 4th party at his house. We played our first gig on July 3rd, 2007 and things just went from there. We knew we were onto something when we played at the Outpost in January, 2008 and basically overran the place—something like 600 people showed up. Word of mouth took over and things have just gone from there. Sometimes it is hard work but most of the time I can't believe we are getting away with it!

I have been playing bass for over 25 years. Bergan played a role in my early musical development because my best friend, Tommy Rump, went to school with me at Bergan and was in a band with me through high school. We played four or five gigs

at St. Pat's growing up, dreaming of becoming rock stars. In addition to that, I learned a ton about singing and performance by participating in musicals, swing choir and speech teams while at Bergan. Monica Daake and Sue Saggau were the two teachers that influenced me the most in music, drama and speech. I can't say I'd ever win a Grammy, Oscar or Tony award but I am able to do this in part because of the fundamentals training I received from them. I think they did a fine job. Thanks, you two!

The best thing about playing in the Write Offs is that it is pure fun. From the very start we said that if it ever became a pain in the neck we'd stop doing it, and so far we have found a way to reduce or remove those pains in the neck. Everyone has a good time at the gigs, we get to play what, when and where we want and people keep asking us back. It doesn't get much better than that for a bunch of 40-something rock and rollers! Hopefully we can keep getting away with it for years to come.

Come One! Come All!

To the Alumni and Friends party, Saturday, July 11th at the St. Patrick's auditorium.

Alumni Greetings

From Gary Schmidt

GREETINGS TO ALL! Another school year completed...it just doesn't seem possible. Certainly this past year was outstanding in many ways. State ratings are as follows: football - second; boys basketball - third; boys golf - STATE CHAMPIONS with sophomore John Spellerberg following his brother Joey's two state championships. This was the first time in history that Bergan has had a basketball team at state three years in a row. The band received a 1+ district music rating. Drama and speech also had a successful year. One hundred percent of the graduating class will be attending post secondary schools with 85% in four year colleges and 15% in two year colleges. The class ranks first all time in accepted scholarships/class member, averaging \$20,414 per student. Congratulations to all.

ELEMENTARY SCHOOL: The exciting news is that the structure of the new elementary school can be seen against the horizon as much of the steel has been erected. Construction is on schedule with completion expected to be some time early next spring and the first year of classes to begin in the fall of 2010. The new facility will contain grades pre-school through fifth and consist of two classrooms for each grade level. There will also be a media/technology center, gym, stage, chapel, art, music, kitchen, and other specialized areas. The total area will be over 42,000 sq. ft.

Elementary students sign a major beam that will be supporting the front entrance of the new school.

ELEMENTARY SCHOOL CAMPAIGN REPORT: The goal for the current elementary school campaign is \$4.6 million. We currently have pledges for \$4,347,351. A breakdown of those pledges is as follows: Parish families (including alumni) = \$2,536,082; Fremont area business community = \$1,629,633; and non-parish alumni = \$181,636. The actual cost of the project is estimated to be \$6.2 million. It is hoped that that balance will come from additional pledges, non-pledged donations, memorials, estate gifts and in-kind donations.

We are behind schedule in our campaign efforts to involve non-parish alumni in our campaign efforts; however, we are currently making phone contacts and that will continue. Next fall we plan a mailing with up-to-date information on the campaign and a request for a pledge to those who had not been contacted by phone. We are very appreciative of the \$181,636 in pledges from non-parish alumni as a result of the phone calling we have done to date of which \$100,000 came from a single pledge. There will be more on this another time.

REUNION: The annual alumni reunion is now held in conjunction with J.C. Fremont Days weekend, which is July 10, 11, 12. Friday, most honored (five year) classes will have their individual class activities and then Saturday we will have an open social at St. Patrick's Auditorium.

There are also many J. C. Fremont activities that are family oriented. It should be a fun filled weekend. Plan to attend. I always look forward to seeing alumni during the reunion weekend.

PHONATHON: Last year's phonathon was a great success thanks to the many Fremont area alumni who made calls and the fantastic response from you, the alumni. When home for the reunion be sure to take a tour of the high school and see the many improvements that were made possible because of your response to the phonathon. We have a very special need for the next school year and that is to provide tuition support for the many students who depend on it in order to take advantage of the opportunity to get a Christ centered education at Archbishop Bergan Catholic School. There are two circumstances that have created an emergency need for next year: 1.) As we add more students through the addition of grades in the elementary school, our need for tuition assistance increases. 2.) With the stressed economy our endowments for tuition assistance have lost value and we will not be able to distribute nearly as much from them for tuition assistance. There is another article in this publication regarding the phonathon and the need for an even greater response than last year. Also there is an article I have written about the effect of the economy on the endowments.

Again thank you for all you continue to do in supporting your alma mater and I look forward to seeing many of you at the reunion.

MAY GOD'S BLESSINGS BE WITH YOU ALL!!

Speaking of Phonathon

Bergan 2009 Alumni Phonathon brought alumni together over 4 weeks of Mondays to call on fellow classmates and friends to raise funds for Tuition assistance

Another successful year of calling our Bergan alumni friends took place with the help of 14 graduates of Bergan. The group brought in a total of \$10,082, making calls all over the United States in four nights of chatting on the phone. The team gathered in the Bergan Library and were able to use cell phones provided by Alltel which was arranged by Paul Heineman (class of 1987). Three of the four nights, prizes were given to the one who was able to reach the highest in donations. Our winners were Dan Mueller (class of 1964), Jeff Madsen (class of 1985) and Kathy Hruza Kneifl (class of 1974). Congratulations to the winners and thank you to all who are listed below for stepping up and helping with this very important project:

Sharon Agress('54), Larry Brown ('72), Jim Crawford ('85), Pat Dix ('91), Mary Flies ('72), Norma Hass ('62), Paul Heineman ('87), Kathy Kneifl ('74), Tim Krause ('80), Jeff Madsen ('85), Dan Mueller ('64), Kate Muth ('95), Steve Ortmeier ('85) and Brian Villwok ('91)

This year we had a great representation of each era from the 50's to the 90's. We are always looking for friendly voices to help each year. If you live close to Fremont,

please consider coming to your alma mater and helping next year. This mini reunion, of friends from Bergan, is very rewarding and fun. Call or email the alumni office at 402 721-1846 or email berganalumni@yahoo.com to make arrangements.

1st night callers: front; Jill Stober, Norma Hass
Back; Brian Villwok, Tim Krause , Larry Brown and Kate Muth

NOTE:

The last issue of Knight Reflections featured an article on the Martinez family who had all 8 siblings attending Bergan in 1955. The article gave a short informational piece on each family member on pages 7 & 8. All siblings were covered except for the youngest, LaNora.

La Nora Martinez Kirchmann, 1965, died of cancer in 2003. La Nora had 3 children and 6 grandchildren. Her husband, Mike, is retired and lives in Los Angeles, CA.

We apologize for inadvertently leaving this information out of the original article.

Honoring Deceased Alumni of Bergan and St. Pat's High School

From Gary Schmidt

Last year in the June "Knights Reflections" I announced our intention to honor all deceased alumni of St. Patrick's and Archbishop Bergan High Schools who are buried in Calvary Cemetery in Fremont, by way of a grave marker. We have recently sent letters to families of those deceased members and have received a very positive response with donated funds of \$1,400+ to date. The decision to proceed with the project has been made and it is hoped to have the first set of markers in place by Memorial Day of this year. More donations, however, are needed to allow us to do a marker for all 40 plus deceased alumni and to create an endowment to provide for the needed markers of the future. Any financial help would be appreciated.

Please send all donations to St. Patrick's, 422 East 4th Street, Fremont, NE 68025-Attention Gary Schmidt. Checks should be made payable to Archbishop Bergan Catholic School. Be sure to identify that the donation is for the alumni medallion.

Thank you for your attention to this cause. We are proud of our past students and want to recognize them as such.

ESTATE GIFT BENEFITS BERGAN

The life of **Bill Emanuel** was taken from us this past year through cancer. Bill, through his lifetime, was very active in the support of St. Patrick's and Archbishop Bergan Catholic School. He served on many boards, educated his four children, (Nancy, Sandra, Karen, and Mark), in the school system, was a public advocate for the school, and supported it financially. Through his estate he created the **Wm. & Elaine Emanuel Endowment** for the operational needs of the school with an estate gift of nearly \$250,000. In addition, his family created a second endowment from the memorial gifts for a Bergan Tuition Endowment. We are very thankful that Bill remembered the school in this way.

Summer 2009 Class Reunion School Activities

Saturday, July 11, 2009 Mass will be celebrated to honor the deceased members of the honor classes. Mass begins at 5:30 at St. Patrick's new church, 3400 East 16th Street. Honored deceased classmates are listed on page 5. If we have left off any names, please let our office know. We want to make sure all are recognized.

After Mass the Alumni and Friends party (6:00 p.m. through Midnight) will be getting underway at St. Patrick's Auditorium downtown at 4th and Union Streets. There is a cover charge of \$5 that will cover your food, popcorn and entertainment.

Food is provided by Baby Huey's, Bill Schuler, class of 1978. The food is exceptionally good, consisting of a variety of summer time favorites, BBQ sandwiches and salads. The food will be served (buffet style) all night, so plan on coming hungry (early or late) and share a meal with old friends and classmates.

Background music will be provided by Dustin Papa, class of 2003. Dustin is a DJ and will accept special requests and keep the music at a level that all can visit and appreciate the sounds.

There will be a cash bar, organized and run by Bob (1970) and Renee Doksansky Brown (1973). All guests will be asked for ID at the door of the auditorium and receive a bracelet that will indicate legal drinking age.

For those of you who are interested in seeing the high school building, there will be a tour of the building after Mass, probably about 7:00 p.m. or when a group would like to go. There will be information regarding a meeting place and time at the auditorium.

Honor classes for this year are all class years ending in 4 or 9.

The Class of 1959 - Will be celebrating their 50th reunion!

Richard Savage is organizing reunion activities. The last word I received from Richard is that he knows 8 classmates are coming and they will be attending the Saturday evening alumni party. You can reach Richard at rsavage3007@msn.com, 2924 Leawood Drive, Bellevue, NE 68123, or home phone (402) 291-1935.

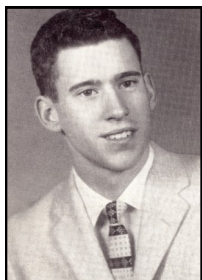

Well let us get together and be the judge of the ravages of time. I think that there are only 18 of us still around - and around the country - but I would hope all of you would make an effort to go back to St. Patrick's in Fremont for the weekend of 10-11 July 2009.

Do you remember our 2nd grade room (we didn't have one)? We were split up in two groups - one group was with Mrs. Osby's (the first lay teacher at St. Pat's) 3rd grade room - and the other group was with Sr. Faith's (or maybe it was Sr. Hope or Sr. Charity) 1st grade room.

Maybe now a few words about Mrs. Lola Osby. She was from Lawrence, NE. She and her husband Gerry lived in the apartment above the parish garage with their two daughters - Lucille (Lucy) and Geraldine (Gerry). She joined the Cupertino, CA school district in 1953 and worked as a teacher, counselor and speech pathologist. She also taught at San Jose State University And taught in the RCIA program in her parish. She died in March 1983.

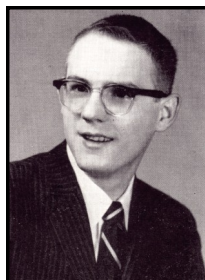

So in July we will have a lot to talk about, like health, relationships, travels, square dancing, Elvis, good times and bad times etc.

You can reach Jim at jmbagconn@aol.com.

Richard and Jim are the contacts for the Class of 1959 class reunion.

Class of 1969...

Dear Bergan Class of 1969 Classmates,

2009 marks the 40th year since our graduation from Archbishop Bergan Catholic High School. We are thrilled to announce the plans for celebrating our class reunion in the great city of Fremont on July 10th & 11th, 2009.

As several members of the Class of 1969 have met to throw around ideas for what our reunion celebration could include, we've experienced relaxation from the reminiscing, laughter from our class' antics, sadness from the loss of classmates, and retirement planning ideas from other classmates who've suffered crippling losses in their 401K.

We'd really like it if you'd join us in Fremont, get comfortable, and experience the benefits of a sense of community. We have so many things in common - school memories, city experiences, and stories about graying and growing bald. Forty is fabulous!

No matter how many respond we are still going to gather somewhere and celebrate, but we would certainly prefer to have an enthusiastic response.

Fremont Senior High School Class of 1969 is also planning to hold their class reunion in Fremont this same weekend.

Friday, July 10, 2009

On Friday evening, July 10, 2009, 5:30 p.m. we will begin the celebration with a cocktail hour followed by dinner at J's Restaurant, a fairly new restaurant in downtown Fremont. You may have seen the rave review this restaurant received this past fall in the Omaha World Herald. Dinner is \$25.00 per person. Cash bar. The party room at J's is reserved until 10:00 p.m.

An additional option for those that may want to cut out of J's is a dance on Friday evening at the Eagles Ballroom in downtown Fremont. Cost is \$6.00 per person, \$10 per couple. The band is Herbie and the Hotheads - a 50's and 60's band. The Eagles is open to all alumni of Bergan and Fremont High (and the public) from 8:00 p.m. to midnight.

Cash bar.

NOTE: The classes listed here are the classes that have contacted the alumni office with information. There may be other classes planning reunion activities that our office is not aware of. If you want to communicate with your classmates, you can contact the alumni office. We may be able to help with email addresses or phone numbers. You can call (402) 721-1846 or email at berganalumni@yahoo.com.

Archbishop Bergan Catholic School Annual Alumni Giving Report

ENDOWMENT REPORT

The following endowments support Bergan tuition assistance: general tuition assistance, Lou & Pat Wewel, Ben & Frances Vering, Rose Charleston, Alma & Roy Miller, Verlene Dohmen, Scott Poehling, Patrick Poehling, Debbie Poehling, Liesa Poehling, Diane Poehling, Jack Petrow, Sr. Elizabeth Ruskamp, Floyd Thierolf, Rick Schmidt, Kevin Higley, Ross Mlnarik, Rev. John Flynn, Donald & LeRene Carlson, Wm & Elaine Emanuel and the ACNM. This current school year \$51,402 were awarded to Bergan students for tuition assistance from these endowments. In addition the Pat Semrad Endowment supports the Bergan wrestling program and the Bergan Booster Club Endowment supports the athletic and fine arts programs.

Bergan seniors will be awarded \$14,575 in scholarships from the following endowments: Gene Twehous, Elaine Vacha, Jane Ortmeier, Ed Parr, Lou & Pat Wewel, Paul Kurth, and Wm Hubel.

The following endowments provided general operations financial support of \$18,975 for the current school year: general operations, elementary operations, Ruth & Justin Lauer, and Russell & Eloise Battiatto.

In total \$84,952 in financial assistance was provided to the school by the endowments. Another \$50,242 was provided to the parish through distributions from the parish endowments.

As you know the economy has been greatly affected in a negative way, the value of bonds and stocks which is where the endowments are invested. The value of all of the parish and school endowments on December 31, 2007 was \$2,796,860.88 and on December 31, 2008 it was \$2,051,427.58. Our by-laws prohibit us from making any distributions from the endowments when their value is less than the amount of contributions into the endowments (corpus value). The exception is that we may distribute actual income (dividends and interest). We are now at that point. Therefore, we need to find a source of revenue to make up the loss in tuition support that we have previously provided our students from the endowment distributions. In order to make up a large portion of that funding our pastor has consented for us to use the income generated from the alumni phonathon for tuition assistance. The alumni phonathon donations will be extremely important to us this next school year. We are very aware that this may be an extended problem for more than this one year – only time will tell.

THANK YOU

Thank you to all of you who have made a difference in this school year due to your generous donations, talents and spiritual support. Archbishop Bergan Catholic School is proud to count all of you as alumni. Many of you are scattered across the United States and still make it an annual practice to participate in the phonathon. For this we are always grateful and hope you will stop by the parish and school when you are in the area and see what your support has made possible for our students. Please let the alumni office know if anyone has been left off the list for phonathon or accumulative giving. We want to make sure all who have contributed are recognized.

Alumni Accumulated Giving Recognition

Donations listed were given from January 1, 2005 through December 31, 2008

Help Us Plan and Help us celebrate the birthdays of our schools

We will be celebrating the **50th anniversary of Archbishop Bergan High School** and the **60th anniversary of St. Patrick's High School** the school year of 2010-2011. That will also be the year we plan to open the new elementary building. We will be looking for things to do during that school year and then at the 2010-2011 summer reunion. Any ideas would be greatly appreciated. Anyone interested in helping in any way with the organization and planning for this special year please contact us at 402 721-1846 or email me at garystpatsbergan@yahoo.com or berganalumni@yahoo.com.

We are hopeful to make the school reunion very special that year. Should be a busy but very special year!! Gary Schmidt
