We are experiencing some significant **growing pains** here at Saint Patrick Parish and Archbishop Bergan Catholic School! On Thursday evening January 12, over 30 leaders of our parish and school, including the Parish Trustees, members of the parish staff and of the Parish Council, Finance Committee, Bergan Board of Education, and Stewardship Committee, came together for an evening of learning about the growth of our parish and the blessings and challenges that go with such growth. Here's some of what our leaders learned that evening:

- Our parish has grown by over 200 members in the past year. We currently have over 7,400 registered members of our parish. The largest demographic group is “Young Adults” (18-35 years old) with 1958 members falling into that category.
- Bergan’s enrollment is up over 450 students, which shows a 10% increase in enrollment over the last year. Because of our outreach to the growing population of Spanish-speaking families in our community, we have been able to welcome new Latino students to our school family.
- When the new elementary school was built, it was the goal of the school to have 25 students per classroom, with 2 classrooms per grade (50 students total per grade). This number would support the expenses of operating the school. We are slowly growing to that number. It is estimated that we will be out of classroom space at **Bergan Elementary** by 2020.
- We made a significant commitment last summer to begin Bergan’s **Early Childhood Education Center**, which is located in what used to be the *Community Center* (originally, *Saint Patrick Elementary School*). This facility houses our pre-school program, daycare for children who are age 3 and above, and before-and after-school program. Over \$70,000 was spent in getting this facility up to fire code and Nebraska Department of Health standards.
- After standing empty for 7 years, and filled with lots of excess “stuff,” the **Flynn Building** (formerly the *White Building* or *Saint Patrick High School*) has been cleaned, and 4 rooms are available for our Hispanic Community activities, daycare programs, and parish/school meetings and gatherings. Some work needs to be done on a leaking roof, windows, and cracks that are developing in the walls.
- All of the 15 buildings we own are in need of routine maintenance and repairs. A lot of the equipment, flooring, ceilings, windows, and roofs are either original or were replaced many years ago.

Based on the information that was communicated at this meeting, the leadership of our parish and school has begun the important work of developing strategic plans for **financial stability** and **facilities repair and replacement**. It is estimated that we will have an annual “gap” of around \$300,000 in our operating budget, and we need to develop a plan to generate income from Sunday contributions, tuition, alumni support, Bergan Fund, endowments, special gifts, and events. As a part of this plan, it is our intention to hire a **Director of Alumni/External Relations** to serve at Bergan. We have received a grant from the Archdiocese of Omaha to fund this position for 1 year. Please pray that we find an energetic person, with a passion for Bergan’s mission, to begin this important work.

We have a lot of work in front of us, but I know that we will accomplish great

things together. Please pray for the leaders of Saint Patrick Parish and Archbishop Bergan Catholic School, so that we may make the best decisions possible for the future of the students and families we serve. Pray also for an increase in the spirit of generosity and support that is already so evident in our parish, school, and community. I know that the Bergan Family can count on you to be a part of the solution, building a school that was founded on the "shoulders of giants," of the generations that have gone before us. It is now our turn to be generous in our prayers, gifts, and participation, to support Bergan as it goes through "growing pains" and continues to be a place where we "make disciples" of the students and families that are a part of our school family.

Thank you for all of your prayers and generosity. May God continue to guide our work at Saint Patrick Parish and Archbishop Bergan Catholic School. May God bless you and your loved ones in this New Year.

Thank you for helping us grow!

Athletic Hall of Fame

The time is now to start thinking about nominations for the **July 14, 2017** St. Patrick's - Archbishop Bergan Athletic Hall of Fame. This endeavor got off to a fantastic start in 2012, and we are looking to continue that positive momentum. The purpose of the Athletic Hall of Fame is to honor athletes for their outstanding high school careers, coaches for their success and/or length of service, contributors for their significant impact, and teams for their outstanding high school achievements. Three total inductees will be selected from those four categories. The selection committee is ready to start receiving nominations effective immediately. These nominations must be turned in to the Bergan High School Activities Office at 545 East 4th Street, Fremont, NE 68025 by **May 1, 2017**. Nomination forms containing the criteria may be found at the high school activities office, the high school student services office, or the church hospitality window. They are also available on-line at the Archbishop Bergan website at http://www.berganknights.org/athletics/booster_club/halloffame.html and Bergan Alumni Facebook page. To receive a nomination form by e-mail, please send your request to Chris Rainforth at chris.rainforth@berganknights.org

Bergan officially names Gary D. Schmidt Gymnasium

On December 3, 2016, Archbishop Bergan Catholic Middle/High school officially named the gymnasium after Gary D. Schmidt. The dedication of the gym be-

came official during a ceremony at halftime of the Bergan boys basketball game against Douglas County West.

Gary served as principal and superintendent

during his 30 years at Archbishop Bergan. He went on to serve as a development officer and alumni services at St. Patrick's Catholic Parish. He retired from that position with a total of 43 years of dedicated service to Archbishop Bergan and St. Patrick's Catholic Parish.

Gary and members of his family were familiar faces at various school events. All of his children are graduates of Bergan: Gregg '80, Michelle '81, Debbie '82, Theresa '84 the late Rick Schmidt. He particularly enjoyed seeing the alumni come back during the all school reunion held each summer.

We are so grateful and privileged to have had Gary's never ending energy and love of Archbishop Bergan and St. Patrick's Catholic Parish.

Cemetery medallions to honor St. Patrick/Bergan Alumni

In August 2009 a tradition began that we would like to carry on. Gary Schmidt started the tradition of recognizing deceased graduates of St. Patrick and Archbishop Bergan with grave marker medallions. The medallions are displayed at the wake and funeral, then kept by the school. Each year during Memorial Day season, the medallions will be displayed at the grave sites of the deceased graduates who are buried at Calvary Cemetery. The medallion is

given by the school at no cost to the deceased family as a way of saying the school has not forgotten about the deceased and that the school is proud of its graduates. We have received a \$500 donation for this fund and our alumni board has voted to match that donation with \$500. After checking into the current cost of the medallions, we will need \$500 in additional funds in order to have medallions on hand for the next Memorial Day.

Don't forget SCRIP

SCRIP may be purchased at the Parish Office and is available in various denominations for Hy-Vee, Wal-Mart, Godfathers, BP gas, Shell gas, Menards and Burger King, just to name a few.

Our SCRIP program is able to purchase the gift certificates at a discounted rate, and we sell them to you for full face value. The difference provides the revenue. The money raised by the SCRIP program pays for special projects for the school and provides tuition relief. The SCRIP program will allow the SCRIP purchaser to contribute tuition credit to the family of their choice when purchasing SCRIP.

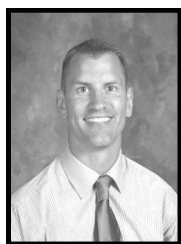

SCRIP can be purchased at the Parish Office, Monday through Friday, 8:00 a.m. to 5:00 p.m. or before and after Saturday and Sunday Masses. In addition, you can have your child drop off your completed order form and payment in the school office in the morning and he/she can pick up the SCRIP order from the office after school at Bergan Middle/Senior High Building.

A KNIGHT UNDER THE BIG TOP

**SAVE THE DATE,
NOVEMBER 17, 2017
DINNER AND AUCTION**

From the Principal

At Archbishop Bergan Catholic School we are proud of the positive influence that we have had on building generations of disciples of Jesus. We often reflect upon the

positive traits that we consider strengths of our school system so that we can continue to accentuate these practices. These unique charisms of our school have become what we consider the pillars of Archbishop Bergan Catholic School. As alumni you should be proud to know that these traditions are alive in our school every day. The things that you love so much about being a Bergan Knight are assisting us in creating a passion, as exemplified by Christ, for faith, knowledge and service. So what are the items that are considered the pillars of Archbishop Bergan Catholic School?

Faith- Jesus Christ is at the center of all that we do. Our students are led to developing a personal relationship with Jesus through the school's faith formation and theology program of study. Our goal is that our graduates encounter what it means to be a true disciple of Jesus Christ in their daily lives. At Bergan Elementary, Theology is taught by classroom teachers who are all Catholic. The "Be My Disciples" curriculum emphasizes learning and practicing the skills and habits, virtues and spiritual gifts that lead young disciples to focus their moral thinking on becoming closer to Jesus Christ. Our High School graduates encounter what it means to be a true disciple of Jesus.

Family- Having a reasonably sized enrollment allows the students to develop family like relationships with their peers and staff members. Parents are invited to become deeply involved in their child's education. A sense of family is evident in our school daily. At Bergan Elementary every parent that has a student at Bergan is part of the Elementary Parent Knights (Parent Teacher Association). It is the Parent Knights' mission to support the students and teachers of Bergan Elementary. Parents are welcome to volunteer at the Elementary School providing a model of service for children. Middle/High School parents can become involved by volunteering with the Middle/High School Parent Knights Organization or by joining the Bergan Booster Club. Parents assist with conducting class retreats and also help with Campus Ministry.

Ability to get involved in extracurricular activities- Students have multiple opportunities to participate in extra-curricular activities. We consider these programs to be vital as they serve as the other half of the educational experience. Students are encouraged to participate in these offerings leading to a well-rounded education. At the elementary level we offer clubs in the form of Chess Club, Walking/Running Club, Bank in School, Boy Scouts and Girl Scouts. We also offer the following sports for elementary students; Shamrock Wrestling Club (Preschool-6) Knight Hoops Basketball (Preschool-6) Fighting Knights Youth Football League (3-6). At the Middle/High School level we offer numerous clubs and organizations. Students have the

ability to participate in NSAA sponsored activities and athletics.

Service- Our students, staff and community value service. As Christians we are called to assist others in our daily lives. Through multiple organized service opportunities to daily care of one another, students experience how service can have a positive impact on the world. At Bergan Elementary starting in Pre-Kindergarten, students learn the importance of giving back to the greater community through age appropriate Service Learning projects. As students move into Kindergarten through sixth grade, service projects are completed by classes as well as by Houses. Through the Theology curriculum and course work, high school students are required to complete twenty hours of service a school year. Each year an organized day of service is conducted to assist regional non-profit organizations.

Life Long Relationships- Upon entering Bergan, students are assigned a mixed grade level family that they belong to know as a HOUSE. Belonging to a HOUSE allows students to develop positive relationships with students across grade levels. It gives students a true sense of belonging, nurturing the family atmosphere. All Houses are named for a saint that the students would like to emulate. Elementary houses have specific color, handshake, and banner that visually exemplifies what their house stands for. Students participate in faith sharing activities, mild competitions, service projects, and school activities to earn points for their houses. This same format is followed for the Middle/High School grades.

Bergan Fund Update

Great things are truly happening at Archbishop Bergan Catholic School. As you have already read, we are experiencing increased enrollment, due in large part to the work of our Advancement and Recruiting Committees. The Early Childhood Education Committee advanced the creation of the Archbishop Bergan Early Childhood Education Center allowing us to expand our ministry to children ages 3-5 with all day childcare and after school programming for our school age students.

Meanwhile, the Knight Event Committee has worked diligently to involve all Bergan families and the community of Fremont to execute two of the most successful Knight Event gala's in the past two fiscal years.

Our Alumni Board has been in it's most active state by helping restructure the annual All School Reunion which was moved back to John C. Fremont Days weekend in July, 2016. The reunion experienced near record attendance and we hope to see you all there again this year!

The Alumni Board also helped plan and host two additional events this fall; a reception for the 50th Anniversary of the 1966 State Football Championship Team and a reception for the dedication of the Gary D. Schmidt Gymnasium at Bergan High School.

Our Alumni Board also continues to be supportive by helping us connect to Alumni and raise funds for the Bergan Fund. Some of you may have received phone calls in the past year asking for your commitment in giving back to Bergan. To date we have raised

\$26,513 of the \$80,000 goal for the Bergan Fund, with more donations coming in every day. Your generosity allows us to make a Catholic education affordable for all. It is my hope that all of our Alumni will find a way to give back to Bergan.

If a financial gift is not meant to be, please do include us in your prayers and join our students as they say the Archbishop Bergan Catholic School Prayer daily. Prayer cards were mailed with the Bergan Fund appeal. If you need a replacement card, please contact the Advancement Office at 402-721-1846.

New Ford Expeditions purchased

The Archbishop Bergan Booster Club would like to express its sincerest gratitude to Charlie Diers ('55) and Diers Ford for their generosity and help in the recent purchase of two 2015 Ford Expeditions for Archbishop Bergan Catholic School. These 8-passenger vehicles are replacing two 11- passenger vans that no longer met Archdiocesan transportation guidelines. The booster club is responsible for providing and funding all transportation needs for the school and parish. We would also like to thank First State Bank for working with us on financing the purchase of these much-needed vehicles, and we are grateful to the donors who also made this possible. Your kindness and support is a blessing that is greatly appreciated!
